Re: U.S. Patent No. 6,481,013; Issued November 12, 2002
Application No. 09/251,315; Filed February 17, 1999
Attorney Docket No. 33213/180290
Inventor: John M. Dinwiddie, et al
Title: *Entertainment and Computer Coaxial Network
and Method of Distributing Signals Therethrough*

Dear Sir or Madam:

Attached is a completed Certificate of Correction for certification by the U.S. Patent and Trademark Office.

The Certificate requests that in Column 4, Line 34, after "utility" delete "action" and insert --function--.

The Office did not enter this text as shown in the original specification, and thus it is a U.S. Patent Office mistake. Accordingly, this request is proper under the provisions of 35 U.S.C. § 254 and 37 CFR § 1.322.

It is respectfully urged that the Office should issue the Certificate of Correction because the error is of consequence because it fails to correctly describe functionality of the system as described in the application.

Very truly yours,

A. José Cortina
Attorney for Applicant
Registration No. 29,733

AJC/klg
Enclosure
